Re: **New Jersey Building Laborers Statewide Benefit Funds v. Capital Concrete, Inc.**
Civil Action No.: 08-4112 (JEI)

Dear Judge Irenas:

This Firm represents New Jersey Building Laborers Statewide Benefit Funds ("Funds") in connection with the above-referenced matter. Presently before your Honor the Funds have pending a Motion to confirm an arbitration award entered against Defendant Capital Concrete, Inc., returnable on September 15, 2008. The Defendant has recently retained counsel and the parties are presently engaged in settlement talks. Accordingly, the Funds request, with Capital's consent, a two (2) cycle adjournment of this Motion, as the parties need to exchange voluminous documents. The new return date would be October 20, 2008. Thank you in advance for your courtesies.

Very truly yours,

S/ MICHAEL G. MCNALLY
